

## Polish Nurses Association Press Release

Janina Fetlińska died during the plane crash 10.04.2010

On behalf of the Board of the Polish Nurses Association I have to inform you that in the presidential plane crash (near Smolensk, Russia) died Janina Fetlinska RN PhD, nurse and the well-deserved member of the PNA.

It is very big lost for Polish Nursing and it is big lost for Polish Health Care System.

She was the nurse, politician – Senator Republic of Poland VI Term from 2005 – 2007 and VII Term from 2007 till 10 April 2010.

*"My profession - nursing - taught me to look at another human being as a person, which should always be in need of help. ... My experience of manager and academic teacher cemented my admiration and respect for the potential effectiveness of individuals and teams well-targeted human"*

Behalf of Polish Nurses Association  
Dorota Kilanska  
President Polish Nurses Association

Warsaw, 10 April 2010
